

Stocks Green Primary School

'Learning to Live, Living to Learn'

Newsletter - Friday 22nd May

HEADTEACHER'S MESSAGE

Wow! It has been a busy few weeks here at Stocks Green Primary School. It has been lovely to welcome Mrs Saganowska back after her skiing injury – she might need some lessons from our ski title winners! A huge thank you to Mrs Adams and Miss Tringham and the whole team who have been doing different hours and support in her absence.

We were really proud of our incredible Year 6 children last week. They showed our school value of resilience as they undertook their SATs tests. It was lovely to see them all so focused and determined to do their best. However, what I enjoyed seeing the most was the way that they all supported each other throughout the week. We are incredibly proud of them all.

Aside from this, we have been hosting our Rainbow Marathon and Mental Health Day. The children took part in a range of activities that they could use to support maintaining their own mental health. There were drama workshops, colouring activities, running and so much more. A huge thank you to all the teachers for running workshops across the school and to Mrs Newton for organising the whole day. Also, a huge thank you to the PTA.

As we head into what is (hopefully) going to be a very sunny week, I wish all our Stocks Green families a wonderful half term break. I hope that you get to enjoy some sunshine and time with your families.

MENTAL HEALTH DAY

Learning to Live, Living to Learn!

OPAL

As we head into the summer term, we want to reinvigorate our OPAL playtimes after an incredibly wet and wild winter that forced us to shut the field for a period of time! We have been talking to the children in our play assemblies and through the School Council. They have identified some donations that they would love to add to our offer. If you are able to source any of these for us, we would be so grateful! Our OPAL offering really relies on donations from parents and the local community.

We also have some big plans for continuing to improve our outside environment over the coming terms and hope to share these changes in due course.

Donations we would currently love:

- roller skates
- foam footballs
- large playground lego or building blocks
- push chairs
- trolleys
- plastic hockey sticks
- scaletrix sets
- giant Jenga
- giant Connect 4
- skateboards

Year 2: Jenson B

Year 3: Charlotte D

Year 4: Milan J

Year 5: Emilia W

Year 6: Sophia W

YEAR 3 EGYPTIAN DEATH MASKS

Learning to Live, Living to Learn!

Stocks Green have won the Kent Primary School Ski Race Championships once again this year, with our first team (Sebastian Nelson, Liam Filipovas, Oscar Filipovas & Isabella Mackay) achieving the fastest primary school team time of the competition!

Our second team (Jessica Griffin, Isabel Lockwood, John Griffin & Marcus Mackay) also performed brilliantly, finishing in a very respectable 6th place, with both teams successfully navigating the challenging course.

It takes real courage, skill, precision, and determination to ski fast down a race course — especially under the pressure of competing for your team in front of a packed audience. All of the hard work and practice put in by the children truly paid off.

The teams received many positive comments from parents and other school teams, about the standard, attitude, and performance of Stocks Green throughout the event.

A huge congratulations to all the children involved — we are incredibly proud of you all! Also, a huge thank you to Mrs Nelson for organising the teams.

Learning to Live, Living to Learn!

Well done to Chloe (Y4) who recently participated in the annual Weald Gymnastics club competition. She completed the floor and vault competition with an overall position of sixth place in her year group.

Well done to Evie and Emily (Year 3) who ran a cake sale for their Brownie charity badge. They raised £162.70 and will split this between their chosen charities: The Scotts Project and Changing Faces.

Well done to Kacey (Y5) took part in Weald Gymnastics Club Competition and came 2nd in the year 5s group.

Well done to Emily (Y2) who recently competed at Weald Gymnastics Club competition and won a silver medal in her age category.

Learning to Live, Living to Learn!

Well done to Yeshna (Y4) who has successfully cleared her Grade 2 Dance Exam with Distinction. We are incredibly proud of her hard work, dedication, and wonderful achievement!

Well done to Archer (Y3) who recently represented Sevenoaks Rugby Football Club at the Chichester Rugby Festival as part of the Under 8s squad. All three teams played brilliantly and showed fantastic teamwork and sportsmanship throughout the weekend.

Well done to John (Y2) who took part in a regional ski race at Chatham at the weekend and came first in his under 8 group. What a great achievement!

ZONES OF REGULATION

Each week in school we talk about a different Tool to help children regulate their emotions. This is our 'Tool of the Week'. We will be sharing the Tools we are using in school in the newsletter. This will enable parents to talk about them at home with their children too, so we can have a joined up approach to helping children to regulate their emotions.

Practice

Give a hug or snuggle up with a trusted friend or family member when you're not feeling well or want to connect.

WHY TO TRY:

Close contact with others sends positive signals throughout your body, which can be comforting, cozy, and help your well-being.

Try to find a moment each day of the week to practice the tool.
